Program Report

Prabhakar Patil Education Society's Arts, commerce and science college Department of Mathematics and Physics organized the Seminar "Astronomy: Universe through lenses" dated 9th Feb 2023. On this occasion Head of Department of science Prof. Ravindra Patil, IQAC co-ordinator Prof. Nitish Agarwal, Guest of the program department of Microbiology Prof. Tejashri Tambe, Department of Mathematics & Physics Prof Nutan Mhatre, Prof. Kanchan Mahamuni & Prof. Kanip Thale. as well as college other faculty members were present.

This program is coordinated by Prof. Kanchan Mahamuni. Prof. Ravindra Patil introduced the Astronomy. On this occasion, Prof. Tejashri Tambe shared valuable information to the students about astronomy and guided the students about Radio Astronomy, Radio Telescope & Career Opportunities the Astronomy with the help of Power Point Presentation.

Vote of Thanks for Program was done by Prof. Nutan Mhatre.

Magnetic Observatory Visit On National Science Day 28th Feb 2023.

Magnetic observatory, Alibag in association with Indian Institute of Geomagnetism has organized exhibition on the occasion of "National Science Day 2023" on 28th Feb. 2023. This year theme was "global science for global wellbeing". Students and Teaching staff of PPES ACS college visited the exhibition.

At the time of inaugural ceremony, Dr. Abhishek Kumar Technical officer introduced about theme in detail.

Mr. Atul kulkarni Technical officer has delivered welcome address where he mentioned that "Science day is the day to remind about inventions."

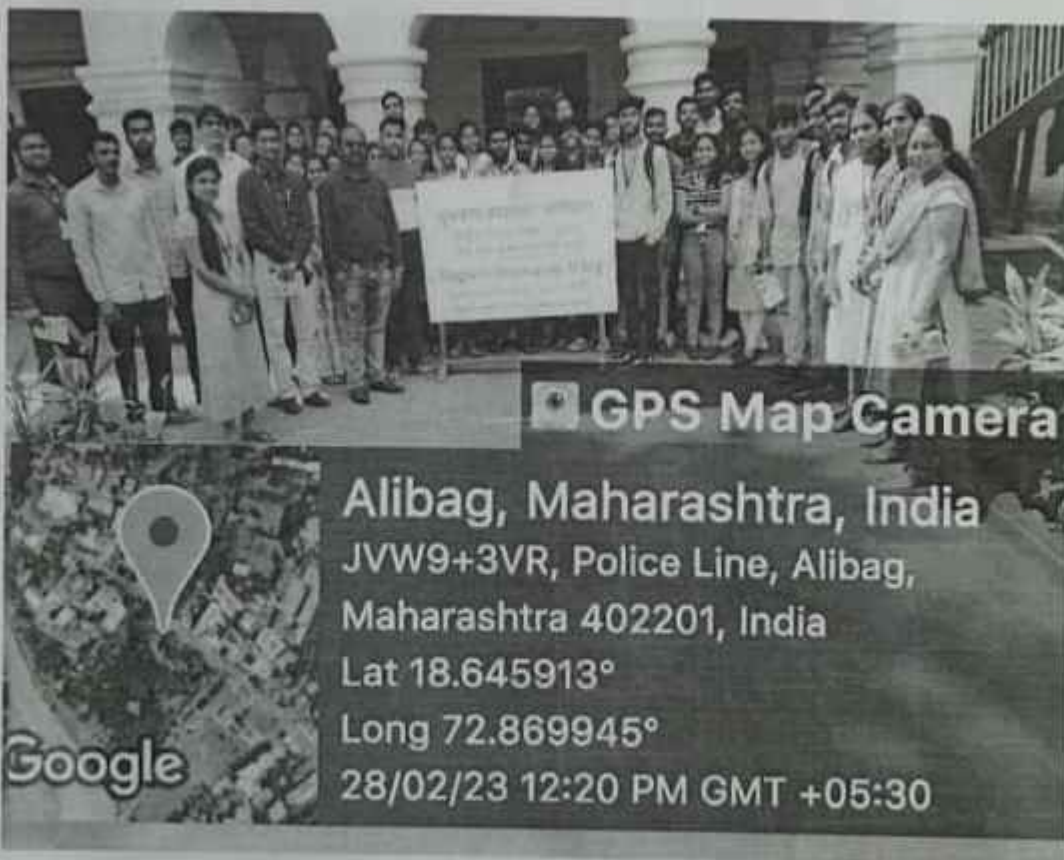

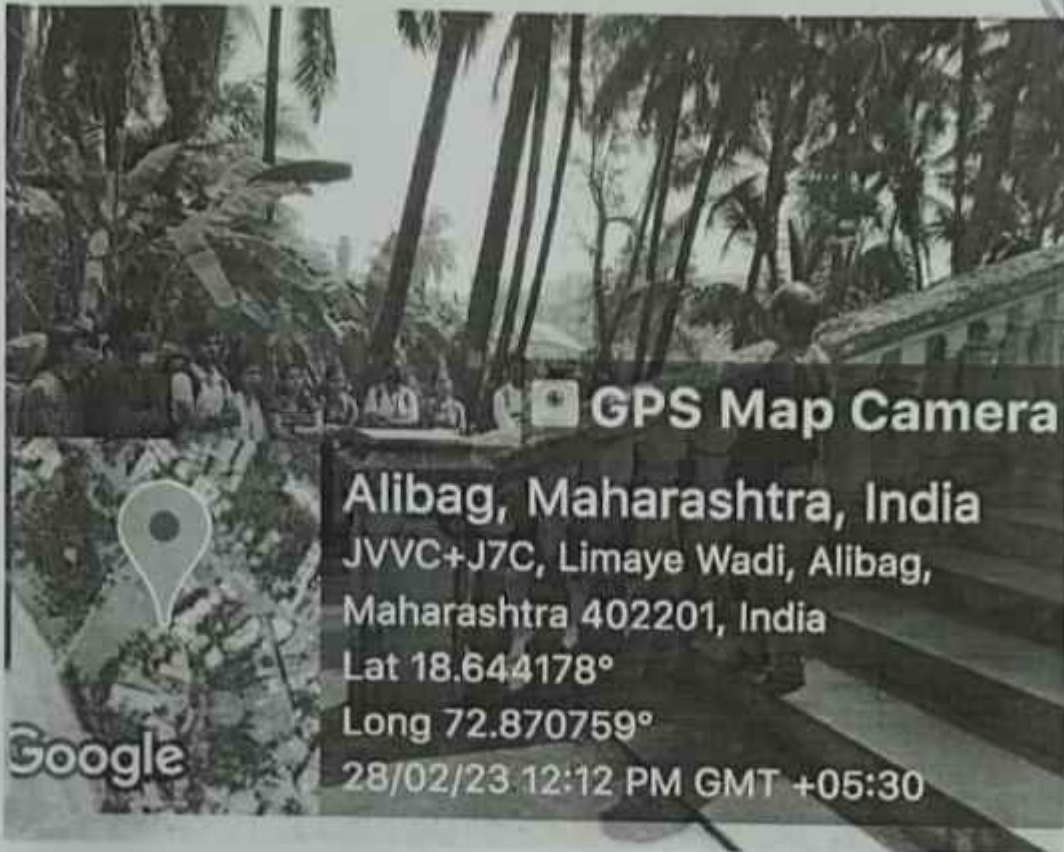

Chief guest Mr. Chintamani Mishra Senior Director IT cell Raigad District elaborated on creating interest for scientific approach and logical thinking.

Retired Physics Prof. S.B. Datar sir illustrated basic concepts in terms of day today examples.

By audio visual means role of IIG was explained.

Mr. Anand Bhingari Technical Officer demonstrated about working and role of Absolute Tower for global geomagnetic measurements which finds use for navigation, communication, defence activities, satellite path. He also added note on Verimeter which is used to measure magnetic force which operates at 24 oc, building constructed with sand stones without fe content. and insulated with woody material. Measurements so obtained are used by research organization all over the world.

Mr. Pritimaya Patro Technical Officer as concluded session with vote of thanks. Overall visit to Magnetic Observatory was enlightening experience.

Field Visit and Seminar on 'Research in Geo Magnetic Field'

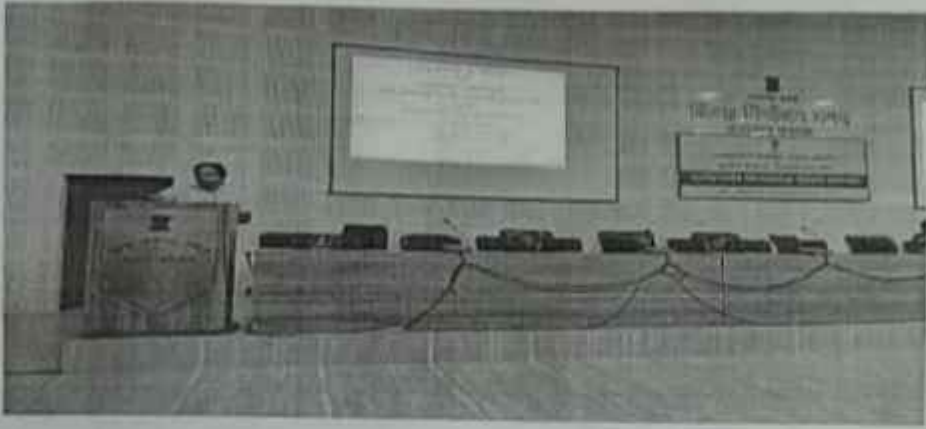

Date: 08th September 2022

Field Visit and Seminar Session were jointly organized by Hon. Collector and Magnetic Observatory Colaba Alibag on 'Research in Geo Magnetic Field' on 8th sept 2022 at Niyajan Bhan, Collector's Office Alibag Raigad. Purpose of program was to aware the students about the Magnetic Observatory.

In this program 48 students were participated from Department of Physics Department of Geography of Prabhakar Patil Education Society's Arts, Commerce and Science College Veshvi Alibag. Also 19 students participated from junior college.

Mr. Atul Kulkarni introduced about History of Observatory and its geographical importance. Then Dr. Abhishek Kumar gave information about Geo Magnetic Observatory and scope of Research in Geo Magnetic Field.

This visit successfully conducted by guidance and effort of Prof. Abhishek Walanju, Prof. Kanip Thale, Prof. Shilpa Dabhane, Prof. Dinesh Patil and Prof. Ashish Patil.

Science Exhibition 4th March 2022-2023

Science exhibition was organised by Faculty of Science on 4th March 2023 in order to celebrate National Science Day. Students from Arts, Commerce and Science stream participated in model and poster making competition. Dr. Abhishek Kumar, Officer In Charge and Mr. Atul Kulkarni Technical Officer from Magnetic Observatory Alibag honoured the exhibition. Students demonstrated on various models and posters which showed their keen interest in Science and related subject. Principal Dr. Omkar Pote in his address explained necessity of such program to explore new things. Mr. Atul Kulkarni, chief guest appreciated students for their innovative concepts and presented his experience about Antarctic drive. Program Coordinator Dr. Tanmay Patil elaborated on " Global Science for Global Wellbeing " as a theme for this year National Science Day celebration. Prof. Pooja Patil coordinated felicitation ceremony for this event. Head of the department Prof. Ravindra Patil praised faculty from Science stream for making this event successful. A total of 82 students participated in the event and more than 35 models and posters were displayed.

Subject – Permission letter for Industrial Visit.

Respected Sir/Madam,

As per our discussion, we request for permission to conduct an Industrial Visit in your esteemed organization. We wish to undertake an Industrial Visit at your Institute to acquire practical knowledge in Microbiology and provide better insight of the subject in students. Our academic curriculum focuses on engaging students in practical experiences to observe the implementation of what they are taught in the college.

A group of around 30 students (including F.Y, S.Y, and T.Y) microbiology, along with 3 faculty members intends to participate in Industrial Visit. Kindly grant us permission for the visit and make arrangements for a tour in relevant departments in your Institute.

Thanking you in anticipation.

Sincerely,
Tejashri Vijaykumar Tambe
