**Sub.:** Request to donate saplings...

**Respected Sir/Madam,**

As we all know we are facing climate change very deliberately. On the institutional level we would like to contribute to reduce carbon footprint which is major reason behind climate change.

We would like to contribute in all possible ways to reduce our campus carbon emissions.

The most efficient way to reduce carbon emissions is plantation. Thus we from Internal Quality Assurance Cell are hereby requesting you to donate saplings for plantation drive within campus.

Thanking you.
