## Prabhakar Patil Education Society's Arts, Commerce and Scienc Veshvi Alibag.

## Green Campus Initiatives:

### Students and staff using:

#### a) Bicycles:

- College is giving more emphasis on save and safe environment.
- · On the basis of this, posters have been displayed within campus regarding the use of environment friendly system of transport.
- Due to this initiative, many students turned to use Bicycle.

### b) Public Transport:

 Institution has actively participated with Grampanchayat to construct vehicle road for its stakeholders which help everyone to connect the campus and Bus Stop through private and public transport.

## c) Plastic free campus :

- · The campus has been declared as 'green-campus' for less use of Plastic materials.
- The use of plastic is strictly restricted in the campus.
- The policy of "Refuse, Reduce and Reuse" is promoted in the campus. Separate bins are maintained to collect different kind of wastes.
- Students are advised to follow a plastic-free culture not only in the institute but in their homes as well.

### d) Paperless office:

- Use of electronic forms is promoted in order to reduce the use of paper.
- Students are advised to submit the draft copies of assignments and projects in softcopy format in order to reduce paper consumption.
- · Whenever possible all official information and communication among faculty members are made via electronic media.
- An email group for teachers and WhatsApp group for students and teachers have been formed for the same purpose and smooth functioning with prompt reply.

e) Green landscaping with trees and plants:

- The entire surrounding with all corners of the institution is planted with hundred varieties of plants.
- The green ambience of the institution is largely due to tree plantation which helps in maintaining the ecological and environmental balance.
- · Parking area & paver block entrance is aligned with trees
