Subject: Permission Letter to Conducting No Vehicle Day in college campus

14.16.16.1

#### Respected Sir,

We are (Department of Science) writing this letter to take your permission for the same. This event is to Stop Pollution.Use of Public transport and stop the use of private vehicle cause less pollution and make earth clean. It's better to use public vehicle rather than use personal car to make earth a better place to live. Most of heat generated on earth is due to vehicle so put your own car at home and celebrate car free day!! We need to use the college campus, where we will conduct this event. The event will be scheduled 6<sup>th</sup> march 2020 to start at 8am and it will end at 1pm.

We are hoping for a favourable response from you.

Thank you,

Sphaik
